- **Other relevant information:**
  - Breakfast and lunch will be available for grab and go from 7:30am-1:30pm.
  - Grab and go meals will be distributed by school food staff members.
  - The grab and go meals will be distributed at the main building entrance.
  - At the moment: Students will only be able to pick up one day's worth of meals (one breakfast and two lunch meals).

- **Regional Recreation Centers (RECs):**

- In order to successfully fight COVID-19, our first responders, health care providers, transit workers, and other key personnel must be able to come to work. That is why we have created Regional Enrichment Centers (RECs)—places where the children of these front-line workers can be safely cared for while their parents continue to serve the city in this time of need. Staffed by DOE employees and community-based organization partners, the centers will provide children with three hot meals daily, remote learning time with their teachers, activities like art and music, and social and emotional support. Regional Enrichment Centers will be available citywide.
- Please send the attached letter to your parents.
